

Granary Bay

Property Type **Apartment**

Sleeps **4**

Change over **Flexible**

Short Breaks **Available**

Granary Bay comprises half of the ground floor of Elie Granary which was the original grain store for Elie Harbour dating back to approx 1805. This self-contained apartment has been sympathetically upgraded to give the impression of being in a boat and that, combined with the stunning location and views over the bay, offer a unique place to stay. Off-street parking available. Also, our harbour beach is only metres from your door.
